

25 September 1959

MEMORANDUM FOR: Director of Logistics

THROUGH : Chief, Materiel Branch, DFD-DD/P

SUBJECT : Letter of Appreciation

STATINTL

1. During the period 14 through 26 August 1959 while the Chief of the Materiel Branch, DFD and the Supply Assistant were absent, coupled with the absence of the Supply Officer assigned to the Office of Logistics, who normally handles CHALICE requirements, [redacted] assisted the undersigned in all supply and transportation functions pertaining to the responsibilities of this office. Although [redacted] was comparatively new on this particular assignment, he rendered services expeditiously and in a manner which displayed great ingenuity and courteseness at all times. This action was prolonged over the entire aforementioned period and does not represent a single incident, but rather, several incidents. Individuals of [redacted] high calibre and initiative are considered truly outstanding. I would appreciate the contents of this letter being brought to the attention of [redacted] and hope that it can be made a part of his personnel record file.
